

National Certification Board for Therapeutic Massage & Bodywork
Assigned School Compliance: Denials, Suspensions and Revocations

Last Effective Date: 12/1/2023

Denied School Code: School does not meet NCBTMB requirements or has been found to be operating illegitimately. Schools currently carrying an assigned school code may be found on our website.

Suspension: A temporary action which prevents a school's graduates from being made eligible for Certification with NCBTMB. Suspension is based on several factors including gravity and credibility of allegations and risk that a school poses to NCBTMB's educational or operational requirements. Based on subsequent review of the school and related findings, a school code may be reinstated or withdrawn.

Revocation: A final decision taken after a full review by NCBTMB which prevents a school's graduates from being made eligible for Certification with NCBTMB. Revocation is based on evidence compiled during an investigation that a school does not meet NCBTMB's operational or educational requirements.
